## *MARY OF EGYPT*

Mary was living a very dissolute life in the city of Alexandria in Egypt. One day, drawn by curiosity she joined a ship filled with pilgrims to the Holy Land. On the way, she continued her sinful way of life. She even continued her sinful life in Jerusalem .

On the day of the Exaltation of the Holy Cross (Sept. 14), Mary went along with the others to the church of the Holy Sepulchre where the relic of the true cross was to be venerated. She tried to enter the church with the others ... but at the threshold, something like an invisible force held her back. She could not enter.

He her eyes fell upon the icon of the holy Mother of God over one of the doors of the church ... and she began o pray fervently with many tears. Then she found that she could enter the church and venerate the Holy Cross.
