. From Father Vasyl

We are in the special time of the Christmas fast, which should prepare us to experience the special event of the coming of the Son of God to this world.

At this time, we have a wonderful opportunity to do more good deeds for our neighbors, for people who now especially need our help. Last year our parish family and other caring people helped make Christmas joy for orphan children in Ukraine. The funds we collected were used to buy necessary things, such as clothes, shoes and food for the children who lost their parents due to the war. Thanks to our donations, we were able to make many orphans happy.

I am very grateful for your generosity. But, unfortunately, the war in Ukraine continues. Every day war takes hundreds of human lives. Many children lost their parents. For us Christians, there should be no other people's grief, other people's suffering, and other people's trouble. Therefore, this year we want to help people suffering from war, especially children

Donations to this cause would be greatly appreciated. It can be in cash or check. Checks can be written out to St. Stephen and in the memo: Ukraine orphans. Envelopes are also available in the entrance to the church.

We will send all collected funds to Ukraine for the needs of orphans.

Our donation is not determined by the amount we donate, but by the desire of our heart.

May the joy of Christmas be felt by those who have lost their relatives and parents.

God Bless you!

Fr. Vasyl
