~~~~~  
Father Vasyl is in touch with a priest friend in Ukraine who is trying to help children orphaned because of the ongoing war. Monetary donations are being collected for this effort . You can help in many ways. Please see Fr. Vasyl if you would like to support this effort.

~~~~~  
As we experienced last year, there is another delay in shipping our donation envelopes. Please be patient. We will let you know as soon as they are here.
Update ---- I recently checked with the envelope company. They are experiencing massive problems. I was told it may be sometime in February before they can ship our order. --- In the vestibule of the church there are plain envelopes. Please help yourself to take and use these. Just put your name and number on the envelope. Again - Thank you for your patience.
