We now enter the most solemn and holy week of the year. It begins with the entry of Jesus into Jerusalem - then guides us through the events that took place in that holy city - leading to the Passion of the Lord, his suffering and death on the cross, and then his burial - and finally his glorious Resurrection from the dead.

THANK YOU !!!

Julee asked for a BIG thank you to all the volunteers who made the Ham Bingo such a success. To the people who set-up, donated, participated, & cleaned up. The profit to the church was \$3,340.00. Special *thank you* to Julee for organizing this annual event.

We also want to recognize all the volunteers who took time from their holiday preparations to make pirohi this past week. THANK YOU !

Last, but not least. This was the last week of the halushki, soup, & pirohi sales. We also want to thank the guys in the kitchen who prepared the halushki, the parishioners who made the home-made soups and the volunteers who helped with the sales.

PALM SUNDAY

Palm Sunday is celebrated as a Holy Day in remembrance of Jesus arriving in the city of Jerusalem on Sunday before the Crucifixion. It was recorded that as Jesus approached the city on a donkey, his true and faithful Christian followers waved palms and swept palm leaves across the road to herald his coming. In remembrance of this event Catholics are given palms on the Sunday before Easter. The Russian Orthodox Christians, as well as the Byzantine Catholics are given palms and pussy willow buds. The pussy willow buds were originally given in Russia and countries with the colder climates because palms were not readily available, but the pussy willow buds were plentiful
