A woman was asked by a coworker, “*What is it like to be a Christian?*” The coworker replied, “*It is like being a pumpkin. God picks you from the patch, brings you in, and washes all the dirt off of you. Then He cuts off the top and scoops out all the yucky stuff.*

He removes the seeds of doubt, hate, and greed. Then He carves you a new smiling face and puts His light inside of you to shine for all the world to see. “
